

2023 DIVERSITY CALENDAR

www.equality.admin.cam.ac.uk @EqualityCam

Faith and Belief

The faiths represented in this calendar, along with the significant faith dates, are those of the six main religions as recognised in the UK Census 2011. Every effort has been made to ensure the accuracy of the information contained in this publication. Inclusion of a particular religion or belief does not constitute endorsement of the particular religion or belief by the University. Local observance may vary.

What are faiths and beliefs?

These cover legally protected characteristics, for example:

- Religion eg. Christianity, Judaism, Buddhism, Islam, Hinduism, Sikhism
- Denomination of a religion eg. Anglicanism, Catholicism, Sunni, Lamaism
- Philosophical belief eg. Humanism, Atheism

Chaplaincy in Cambridge

Leadership within the University's many faith communities often takes the form of Chaplaincy. Chaplains are appointed internally by Colleges and University Societies, and externally by denominations and mission agencies.
